

The Authority of The Scriptures

Is the Bible really from God?

The Bible:

A Myth or The Word of God?

Myth ~ *“an ancient traditional story of gods or heroes, offering an explanation of some fact or phenomenon; a fable; a fictitious person or thing; a commonly held belief that is untrue or without foundation.”* Webster’s New Dictionary Concise Edition, Copyright 1990.

“Among all the nations scattered over the face of the earth, the Hebrews alone were instructed by God, who gave them not only a full account of the creation of the world and of all living creatures, but also a code of laws to regulate their conduct.” by H.A. Guerber (Lecturer on Mythology), Myths of Greece and Rome, Published by American Book Company, Copyright 1893, Chapter 1, Page 11.

Is The Bible GOD'S Words?

“Question with boldness even the existence of a God; because, if there be one, he must more approve of the homage of reason, than that of blind-folded fear.” Thomas Jefferson (1743-1826), U.S. president. Letter, 10 Aug. 1787.

- **Isaiah 1:18** *“Come now, and let us reason together,” Says the Lord, ...*
- **God says in Hebrews 11:1** *“faith is the substance of things hoped for, the evidence of things not seen.”*
- **The Bible claims it is from God in 2 Timothy 3:16** *“All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness,”*
- **God says put the Bible to the test in 1 Thess 5:18** *“Test all things; hold fast what is good.”*

Put The Bible To The Test!

If the Bible is from the Creator of the universe then:

- *It is essential that all statements mentioning the physical nature of the universe must be true, allowing for poetic license and the limitations of our scientific theories.*
- *All predictions, from the Bible, of the future would come true.*
- *The evidence of the authenticity of the Bible, and the life of Jesus would be overwhelming.*

The Bible Is Accurate

Matthew Fontaine Maury, called “The pathfinder of the seas”, is the father of modern oceanography. He helped establish Annapolis Academy. A statue of Maury stands in Richland, Virginia; charts of the seas in one hand and the Bible in the other. During a temporary illness his eldest son was reading to him from the Bible and read Psalm 8:8. Maury stopped him and said “read that again”. After hearing it again he said “It is enough, if the word of God says there are paths in the sea, they must be there, and I am going to find them.” Within a few years he had charted the sea lanes and currents and he published “Physical Geography of the Sea” the first textbook of modern oceanography.

Could someone have made up the Old and New Testaments to make them come true?

The Dead Sea Scrolls

- discovered 1947 in Caves of Qumran by a Bedouin shepherd boy
- The scrolls date to 200 - 400 B.C.
- Pieces of every book of the Old Testament have been found as well as other writings of their time
- The scroll of Isaiah was found whole and matches the book of Isaiah translated in our Bible today.
- This evidence shows us the entire Old Testament predates the life and times of Christ.

He was [the] Christ; (64) and when Pilate, at the suggestion of the principal men amongst us, had condemned him to the cross, those that loved him at the first did not forsake him, for he appeared to them alive again the third day as the divine prophets had foretold these and ten thousand other wonderful things concerning him;" "The Antiquities of the Jews" Book 18, Chapter 3, #3, "The Works of Josephus"*
